

DIY Couch Cleaning

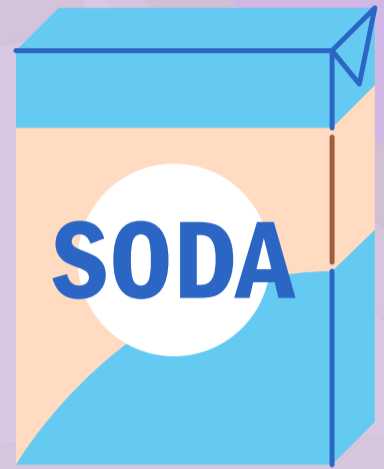

A Simple 3 Step Guide

01

Step 1: Deodorize with Baking Soda

- Mist couch with water
- Sprinkle baking soda all over
- Work into fabric with rag/glove
- Let sit 30 mins - few hours
- Vacuum up residue

02

Step 2: Disinfect with Rubbing Alcohol

- Mist with 70% rubbing alcohol
- Disinfects and deodorizes
- Let fully dry

03

Step 3: Freshen with Essential Oils

- Mist with plant-based essential oil spray
- Leaves fresh, natural scent
